SASKIA 2023

Mediation in the Forest Collection

Rich in Geranium and Virginian Cedarwood Essential Oils

Meditation in the forest is a Meditator's favorite invention.

This unique collection by Saskia was designed with Yogis and Meditators in mind. The essential oil blend was developed in Italy and inspired by the depth of the experience of meditating in a European forest. The Cedarwood essential oil however comes from Virginia, USA as this is known to be the finest Cedarwood Essential Oil worldwide. Perfect fragrance for enhancing alleviating anxiety, improving mind clarity and meditation.

Take your overall wellness experience to new heights with our Meditation in the forest Collection.

Meditation in the forest Shampoo is rich in hyaluronic acid, Virginias Cedarwood and Geranium Essential Oils to cleanse your scalp and boost hydration while strengthening your hair and protecting it against breakage.

Also, let us help you discover another benefits of this essential oil blend for the body:

- Diminishes aging signs. A wrinkle reducer

SHAMPOO

Saskia Meditation in the Forest Shampoo with Cedarwood and Geranium Essential Oils contains hyaluronic acid to add & lock moisture into hair and enhance hair growth and strand diameter. An effective and gentle cleanser that adds a healthy shine to tired hair. Enriched with essential fatty acids, emollients and antioxidants to help reveal hair's natural radiance. Enjoy the intensive smoothing without stripping essential moisture, oils or color from your hair, For best results, follow with Saskia Conditioner.

CONDITIONER

Saskia Meditation in the Forest Conditioner perfectly detangles and moisturizes your hair, leaving it soft, shiny, and manageable, but not greasy. Formulated with relaxing and long lasting fragrance of Cedarwood and Geranium Essential Oils.

HAND AND BODY WASH

Saskia Meditation in the Forest hand and body wash is deeply cleansing and moisturizing. Formulated with Cedarwood and Geranium Essential Oil and soothing natural ingredients. Leaves your skin feeling revitalized, healthy and beautifully soft. Contains a skin-conditioning agent extracted from apples to support the skin's own Natural Moisturizing Factor and strengthen the skin's barrier functions. Enhances the essential cell boost-factor, promoting cell adhesion proteins formation and firms tissues for a long-lasting visibly moisturized skin.

HAND AND BODY LOTION

Saskia Meditation in the Forest Hand & Body Lotion is an ultra hydrating, gentle daily care. Enriched with nourishing oils, Essential Oils and natural extracts, which penetrate the skin rapidly for a quick protection. Nourishes normal to dry skin.
